

Please know we are still open for emergency service during this pandemic, however, in accordance with the Executive Order issued by the Governor, our showroom and offices will be closed until April 14th. Please give our office a call if you need us. We understand that there are many of you that still need to get to work, get groceries, or go attend to loved ones, and we are here to help.

Should you need service, we have implemented the following social distancing and cleaning practices in order to do our part to help prevent the spread of the Coronavirus:

- Technicians will no longer shake hands or engage in unnecessary physical contact.
- Maintain a 6' distance in accordance with guidelines.
- Payments can be prepaid or paid on site via phone to our office in order to minimize exchange of money.
- Washing hands in between appointments.

As a small business we appreciate everyone's continued support during this difficult time, and pray for everyone's health and well-being.

Sincerely,

Mammoth Door & Construction, LLC
